Friday March 8th | 14th General Meeting | CIC-2 - Embryo Room

20:30	Meeting Dinner - Awards and certificates announcement
-------	---

Saturday March 9th | 14th General Meeting | CIC-2 - Embryo Room

- 08:30 - 09:00 Conference: Repeated implantation failure and new concepts on implantation: reproductive immunology
- 09:00 - 10:30 Symposium 7: Translational Medicine and ART
- 10:30 - 11:00 Coffee break
- 11:00 - 12:50 Symposium 8: Ethical dilemmas in reproductive medicine
- 12:50 - 13:50 Controversy: fresh vs delayed embryo transfer
- 13:50 Closing remarks | Closing ceremony
-
- 14:30 - 16:30 **Lunch with experts**
- Embryo selection
 - Genetics counseling
 - Tailored ovulation induction
 - Natural cycle vs Artificial preparation for FET
 - Secrets for improving laboratory
 - Andrology
 - Reproductive surgery is still ongoing?
 - Embryo transfer technique
 - Evaluation of the infertile couple
 - New technologies in the lab
 - Thrombophilia, implantation failure, recurrent miscarriage
